

Privacy Policy for SnoozeLock

Last Updated: June 20, 2026

Thank you for using SnoozeLock.

Your privacy is important to us. This Privacy Policy explains what information SnoozeLock collects, how it is used, and the choices available to you.

Information We Collect

Camera Access

SnoozeLock may request access to your device's camera when you use the Barcode Scan challenge.

Camera access is used solely to scan barcodes required to complete alarm challenges. Images and video captured by the camera are processed on your device and are not stored, transmitted, or shared by SnoozeLock.

Motion & Fitness Activity

SnoozeLock may request access to Motion & Fitness Activity data when you use the Step Count challenge.

This information is used only to count steps required to complete alarm challenges. Motion activity data is processed on your device and is not shared with third parties.

Analytics

SnoozeLock uses TelemetryDeck to collect anonymous usage analytics.

TelemetryDeck helps us understand how users interact with the app so we can improve performance, reliability, and features.

The analytics collected may include:

- App launches
- Feature usage
- Screen views
- App version information
- Device and operating system information

TelemetryDeck is designed with privacy in mind and does not collect personally identifiable information.

Purchases

SnoozeLock uses RevenueCat to manage in-app purchases and restore purchases across devices.

When you make or restore a purchase, RevenueCat may process information related to:

- Purchase transactions
- Subscription or entitlement status
- Anonymous device identifiers

Payment information is handled by Apple and is never provided to SnoozeLock.

Data Storage

SnoozeLock stores alarm settings, challenge preferences, and related app data locally on your device.

We do not sell your personal information.

We do not collect personally identifiable information unless you voluntarily contact us for support.

Third-Party Services

SnoozeLock may use the following third-party services:

- TelemetryDeck (Analytics)
- RevenueCat (In-App Purchase Management)
- Apple App Store Services

Each service operates under its own privacy policy.

Children's Privacy

SnoozeLock is not directed toward children under the age of 13. We do not knowingly collect personal information from children.

Changes to This Privacy Policy

We may update this Privacy Policy from time to time. Updates will be posted within the app and/or on our website. Continued use of SnoozeLock after changes are posted constitutes acceptance of the updated policy.
